

*Does anything look familiar?*

*Salem's generous donations have been a huge help in getting Oaiss Shelter up and running!*

*Oasis Shelter hopes to open in March to our neighbors by providing showers. The most current needed item is drawing string or elastic waist pants/shorts in all sizes for men and women. New is preferred, but if they have been worn, very few times. AND – brand new underwear and sport type bras. You can bring the donations to the church office.*
